

As the deputies must be clothed with ample authority, we think it would be proper, previously to their appointment, to determine in a conference of both houses the nature and extent of their powers.

The subject is important and delicate, and requires the united wisdom of the legislature, and cannot, in our judgments, be so well discussed in any other manner as in a joint conference of both houses. In the same conference it may likewise be expedient to consider the propriety of appointing five commissioners from this state, to meet the commissioners from the commonwealths of Virginia and Pennsylvania, for the purpose of communicating the regulations of commerce and duties proposed in this state, and to confer on such subjects as may concern the commercial interests of the said states.

We therefore propose a conference upon those subjects, and if you accede to the proposition, we will appoint three members to confer with such members of your house, as you may think proper to nominate for the purpose.

By order,

J. DORSEY, clk.

The following message being prepared, was sent to the senate by Mr. Holmes.

That the proceedings of the deputies, and any act agreed to in the said convention, be reported by the deputies to the next session of assembly.

Agreed, That five commissioners for this state, be appointed, and that they, or any three or more of them, be authorized to meet commissioners from the states of Virginia, Pennsylvania, and Delaware, jointly or separately, and to communicate the regulations of commerce and duties proposed by each state, and to confer on such subjects as may concern the commercial interests of the said states, and wish in the power of the respective states. And That the meeting of commissioners be on the third week of September next, and at such places as they shall agree on. And, that their proceedings be reported to the legislature of this state.

That the said commissioners be authorized to meet the commissioners from the said states before the time above mentioned, at such time and place as may be agreed on.

Agreed, That the commissioners to be appointed on behalf of this state, be directed to confer with the commissioners of Virginia, and to concert with them on proper plans for light-houses, and to agree on proper places where such light houses ought to be erected, and to take such measures, for completing this necessary work, as may be judged proper; and that they report their proceedings to the next general assembly.
